### News from the Vineyard

Harvest is complete and bountiful. The quality of the fruit remained excellent throughout the season. We had to get additional tanks to hold all the wine! Based on similar years, the wine produced in 2016 will be very special, surpassing what was possible in 2010.

### Winter Schedule

Our final open weekend will be December 16/17. After that Laleure will close for the winter.

Laleure will re-open in April, check the website in the spring for exact dates .

If you want to purchase wine during our closed period, just give us a call!
