**SPECIAL October 21**—The Scotty Graybill Band is the only real ROCK event sponsored by Laleure, and has been a yearly tradition thanks to the generosity and interest by immensely talented musician & rocker Scotty who fortuitously lives right here in Parkman. We expect a very busy evening. Scotty & band will be inside, playing towards the outside. Unless its raining or (the white stuff) Laleure recommends **bringing blankets and lawn chairs** for an experience similar to (if you can imagine) Cream playing at Blossom. If only that were possible –but this band is the next best thing. Seriously. Scotty, Wes (on drums) and their bass player never disappoint rock fans!

#### **News from the Vineyard**

Harvest is near complete. The quality of the fruit has been incredible, and the weather has allowed full development of the chemistries of each varietal. Based on similar years, the wine produced in 2016 will be very special, surpassing what was possible in 2010.

#### **News from Laleure**

As many of you know, we lost our most loved Betsy on May 31. There are no words to express the sadness that I, our staff, supporters, and loyal followers and customers all feel. Yet we must move on with life. We continue to make wines in the spirit of excellence that Betsy demanded!

**Laleure Vineyards** started growing grapes in Parkman, Ohio in 1997. Laleure is a small boutique winery dedicated to producing high quality wines made primarily from vinifera grapes grown on the property. The varietals offered include Chardonnay, Pinot Noir, Cabernet franc Riesling, Vignoles, Chambourcin, and Bianca.
