#### **News from the Vineyard**

Following two really poor years due to the extreme cold winters, the 2016 crop is full, healthy, and full of promise. The warm weather has been terrific for redevelopment of the trunks as well as nurturing the crop. Harvest tarts in earnest Wednesday September 7 .

**Anyone interested in helping at harvest I encouraged to contact Rich by email at [rich@laleurevineyards.com](mailto:rich@laleurevineyards.com)**

#### **News from Laleure**

This summer has been difficult for Laleure. As many of you know, we lost our most loved Betsy on May 31. There are no words to express the sadness that I, our staff, supporters, and loyal followers and customers all feel. We continue to forge on, and know that perhaps it is she who has had influence on this wonderful summer weather which has benefited the grapes and vines so much. You can read about Betsy by clicking the link on the home page.
