We will have a number of events this fall.

100 Years of Conservation - a talk by Steve Madewell on Thursday November 5 at 6:30 -8. Steve will tell a fascinating story about Ohio's extensive park system. He is a well known naturalist, designer and leader of many Ohio, parks, as well as accomplished musician. He will use his storytelling talent to entertain us with the history of our Ohio parks including origin, purpose, land acquisition, activities, challenges and more. The winery will be open for beverages. Feel free to bring snacks. Tickets include a glass of sparkling wine or craft soda. Click button below for tickets.

Wine & Cheese Pairing Thursday November 12 from 6-8 pm with Marchant Manor at their store on Lee Road. in Cleveland Heights. We hold this event twice each year in our collaborative relationship with Marchant Manor and the team there. It is a must attend event for cheese lovers that enjoy wine paired by the joint teams. Cabernet franc Vertical We will be hosting a Cabernet franc vertical tasting on Friday November 27 from 6-8pm. This popular event is only held once every 2-3 years, so get your tickets early by clicking the button below. We will dig way back into our library for our oldest vintages, and progress up to some of the more recent (still old) bottles in our cellar. Your chance to taste how well Laleure wines can age.

New wine releases On the weekend of Friday November 13 we will release our latest Silo red wine for the 2025 vintage, which is a delicious blend, as well as our 2016

Chambourcin Reserve for tasting and sale. Yes - 2016 first release for Chambourcin. Yum.

For wine club members On the weekend of November 13-14 we will also be releasing our 2023 Reserve Vignoles as well as our 2024 Cabernet franc appassimento for tasting and sales. Wine club members will also be able to check out 2023 Arnie's Way Chardonnay and 2020 Reserve Cabernet franc.

Dr. Joe Kratky Celebration - We will open on Friday evening November 13 from 6-8:30 to congratulate our long-time friend and tasting room expert Joe Kratky. Joe has worked extremely hard to attain his doctorate degree in Research, Measurement, and Statistics. He did this while working full time as a mathematics professor, part time at Laleure, and with a growing family. Wow! Join us to congratulate Joe in person. We will have Jesse Huge entertain us for the evening. All are welcome even if you would just like to meet this remarkable fellow.

Other Special Events We will have other special events during the fall season, some of them for which we will open on Friday nights, such as band practices or other seasonal activities. We expect to announce some "pop-up" band practice nights on a few Fridays, and these can be serious fun evenings. Casual music, and meeting others that love the bands featured.

1st Popup Band Practice - Friday November 6 around 6:30 - Paul Borger Blues with Rick Houston Drums
